2. In accordance with the Procedures, the Trustee, on September 20, 2022, filed its first status report following the conclusion of the first one hundred and twenty (120) days of the Stay Period. [See DE No. 22331] (“First Status Report”). The Procedures require further status reports “every thirty (30) days thereafter.”

3. On October 20, 2022, the Trustee filed its second status report in accordance with the Procedures. [See DE No. 22649] (“Second Status Report”).

4. On November 18, 2022, the Trustee filed its third status report in accordance with the Procedures [See D.E. No. 22889] (“Third Status Report”).

5. On December 19, 2022, the Trustee filed its fourth status report in accordance with the Procedures. [See D.E. No. 23111] (“Fourth Status Report”).

6. The First Status Report, Second Status Report, Third Status Report, and the Fourth Status Report included a case update that detailed the Trustee’s progress and efforts concerning undertaking informal settlement discussions and mediations in the pending Avoidance Actions.

7. Accordingly, the Trustee respectfully submits below its Fifth Status Report.²

² On November 14, 2022, the Trustee submitted an *Urgent Uncontested Omnibus Motion for Extension of Deadlines Concerning Scheduling of Mediations* [DE No. 22862 in Case No. 17- 3283] requesting that the Court extend the deadline to schedule mediation from November 21, 2022 to January 20, 2023 (“Extension Motion”). On November 15, 2022, the Court entered an Order Setting Briefing Scheduling on the Extension Motion which required that any opposition to the Extension Motion must be filed by on November 18, 2022 [DE No. 22872] (“Briefing Order”). On November 18, 2022, the Court granted the Extension Motion and extended the deadline to schedule mediation to January 20, 2023. [See D.E. No. 22890].

FIFTH STATUS REPORT

8. For the Court's reference, the Trustee respectfully notes that: (i) as with each of the prior Status Reports, the Trustee attaches a case update to this Fifth Status Report as **Exhibit A** (the "Fifth Case Update"), and (ii) all updates within the thirty-day period since the Trustee's filing of the Fourth Status Report are emphasized using a red font in this Fifth Case Update.

Filed Avoidance Actions

9. As part of this Status Report, the Trustee summarizes certain data points contained within the attached Fifth Case Update, with a particularized emphasis on updates since the filing of the Fourth Status Report:

- a. There are fifty-two (52) Avoidance Actions that have been filed, which are subject to the Procedures.³
- b. The Trustee has sent each of the defendants in the Avoidance Actions multiple invitations to mediate and has continued numerous efforts to schedule mediations in Avoidance Actions that had not yet scheduled a mediation date. The Trustee's efforts to schedule mediations in each of the Avoidance Actions has included hundreds of emails to defendants and their counsel, together with numerous telephone communications.
- c. Consistent with Article V(i) of the Procedures, and excluding those cases in which a notice of dismissal has been filed, the Trustee has now agreed to a date for mediation with each Avoidance Action defendant with the exception of one defendant that has unequivocally stated that it would not participate in mediation.

³ Pursuant to the Court's *Order Regarding Joint Status Report* [D.E. 57 in Adv. No. 19-00187], Defendant Trinity Metal Roof and Steel Structure Corp. is now also subject to the Procedures.

- d. The Trustee has now submitted thirty-nine (39) Position Papers⁴ to the Avoidance Actions defendants and will continue to submit Position Papers to each defendant in advance of those mediations.
- e. The Trustee has already completed mediation with twenty-four (24) defendants. The Trustee also reports that it has scheduled continued mediations with at least two (2) defendants in order to further negotiations and resolution of claims against those defendants.
- f. The Trustee has scheduled an additional twenty-one (21) mediations to occur, which includes an increase of nine (9) additional mediations since the Fourth Status Report.
- g. The Trustee is in the process of re-scheduling mediations in one (1) of the Avoidance Actions.
- h. The Trustee reports that it intends to lift the stay and proceed with litigation against a limited number of defendants because informal settlement discussions and mediation have been exhausted without success.
- i. Since the Fourth Status Report, the Trustee has reached an agreement to settle with one (1) defendant prior to mediation and is working to document that settlement. Mediation is still scheduled in that matter so the parties can utilize that time to resolve any issues of the proposed

⁴ As the Trustee noted in the First Status Report, the Second Status Report, the Third Status Report, and the Fourth Status Report the Trustee is continuing to provide its detailed, written position regarding the pending claims in advance of mediation as they are scheduled. These Position Papers are the result of a factual and legal analysis of the issues related to each individual claim, including consideration of any defenses raised by the defendant or tolled party.

settlement if such still exist at that point. The Trustee also has entered into a settlement in principal with one (1) defendant following mediation and is working to document that settlement.

- j. As part of the Trustee's ongoing effort to engage in settlement and pre-mediation communications with defendants, only one (1) defendant has elected not to mediate and has indicated it will not defend itself from those claims asserted by the Trustee. In light of this communication, the Trustee anticipates lifting the stay as to this one action.

Tolled Claims

10. In addition to the Avoidance Actions Defendants, the Trustee continues to use the established mediation framework as an opportunity to engage with parties subject to tolling agreements ("Tolled Parties"), even though they are not subject to the Court's Order implementing the Procedures. As previously reported, the Trustee has sent several invitations to the Tolled Parties to mediation, using the same process as for the Avoidance Actions defendants, although acknowledging that participation is voluntary.

11. Mindful of the confidentiality imposed by the tolling agreements, the Trustee can report the following:

- a. The Trustee has invited one hundred percent (100%) of the Tolled Parties to mediation.
- b. Ninety-four percent (94%) have agreed to mediation.
- c. Sixty-one percent (61%) have already scheduled mediation.
- d. Thirty-three percent (33%) are in the process of scheduling mediation.
- e. Seventy-two percent (72%) have received a Position Paper from the Trustee.

12. The Trustee appreciates the efforts of the defendants and their counsel who have been responsive throughout this process.
